"Women are the real architects of society"

Feminism isn't about making women strong. Women are already strong. It's about changing the way the world perceives that strength.

“A woman is the full circle. Within her is the power to create, nurture and transform.”

“Where there is a woman, there is magic.”

"She needed a hero, so she became one"

When women support each other, incredible things happen.

"We all have a 'Wonder Woman' inside of us."

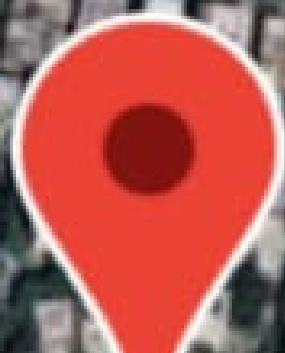

*Beautiful & Flawless.
Nah! Strong &
Imperfect. Yes!!!!*
