A True Friend accepts who you are, but also helps you become who you should be.
A Good Friend always try to make

INTERNATIONAL FRIENDSHIP DAY 2nd August 2023

There are friends, there is family, and then there are friends that become family. 🥰
My unpaid therapy. 🥰

When I am with you, life feels so complete. I feel so complete.

Love you the most because I'm having the world best friend ever.

A true friend is a person who supports in all your plans but the one who corrects when you go wrong that you

Someone can never break our bond

No one can replace

Memories

Many more years together ahead

Lots of love and care thanks for being with me

If you have a best friend as weird as you, you have EVERYTHING!!
