About College

Villa Marie Degree College for Women, perched at a prime location in Somajiguda, excels in its pursuit of value-based quality education. It is an ISO 9001:2015 Certified Institution and has also successfully conducted an Energy Audit, reflecting its strong commitment to quality management systems, sustainability, and eco-friendly practices. Founded by Dr. Philomena in 1997, the institution was established with a noble and far-sighted vision of imparting quality education that empowers women academically, socially, and ethically. The college has earned accreditation from the National Assessment and Accreditation Council (NAAC) with a B++ Grade, reaffirming its adherence to national quality benchmarks in teaching-learning processes, infrastructure, governance, and student support services. Villa Marie endeavors to make young women strong and confident by imparting knowledge that is intellectually stimulating and academically inspiring.

Affiliated to Osmania University, the college offers nine undergraduate programmes under the Choice Based Credit System (CBCS). It has entered into Memoranda of Understanding (MoUs) with reputed professional bodies to offer value-added and certification courses. These industry-aligned initiatives serve as the Unique Selling Proposition (USP) of the institution, equipping students with contemporary skills and competencies in tune with evolving corporate and professional demands. The college boasts state-of-the-art infrastructure, creating a vibrant and productive learning environment that prepares students for future challenges. The faculty comprises committed and dedicated academicians who deliver quality teaching through ICT-enabled and innovative pedagogical practices. A SWAYAM–NPTEL Local Chapter functions actively, encouraging both faculty and students to enhance their knowledge and expertise through MOOCs and national-level online courses.

The academic performance of students has consistently been commendable, with Osmania University examination results exceeding 90% year after year. The Placement Cell plays a pivotal role in enhancing employability skills and facilitating career opportunities by collaborating with leading national and international companies, making the campus a preferred destination for talent scouting. The Library and Information Centre, housing more than 11,000 books, journals, and magazines, includes a dedicated Digital Library. It is fully automated using the NewGenLib (Helium 3.1) library management software, seamlessly integrated with the Online Public Access Catalogue (OPAC) to ensure efficient access to academic resources.

The Department of Physical Education is well equipped with both indoor and outdoor sports facilities, a modern Gymnasium, and a Fitness Centre, with participation and achievements at national and international levels bringing laurels to the institution.

Under its signature banner VICAS, the college undertakes various initiatives supporting community engagement and environmental sustainability, sensitizing students to values beyond the curriculum. Ethics, leadership, social responsibility, and the development of strong communication skills form integral components of the Villa Marie graduate experience. These collective efforts embody the institution's vision and steadfastly advance its mission towards women empowerment and holistic development.

Vision

To emerge and rise as an excellent educational Institution in imparting quality formal education, fostering innovation, and promoting entrepreneurship by laying a holistic learning environment

Mission

- To provide value-based education with a global perspective.
- To emerge as a fulcrum of teacher–learner interface.
- To promote the college as a hub of all academic transactions and polish the learner’s competence level.
- To impart moral ethics, and encourage co–curricular activities and community outreach programs for personal growth, enrichment, and social transformation.

Core Values

1. Aims at erudite academic excellence by providing quality education
2. Adheres to integrity namely – honesty, trust, respect, fairness, courage and responsibility.
3. Accentuate collaborative learning thereby catering to prominence of intellectual development
4. Committed to innovation keeping at par with the emerging educational trends
5. Encouraging learners towards prolific participation in the society.
6. Dynamize active learning environment catering to women empowerment of building a nation by encouraging a sense of community responsibility.
