Anti-Drug Committee Academic Year 2024-2025

The Anti-Drug Committee in collaboration with NCC Unit of Villa Marie Degree College for Women conducted a **Drug Awareness Campaign - *It's never too late to start anew*** on **24th July 2024** for I and II year students across all programs. The campaign aimed to educate students on the harmful effects of drug abuse and promote a drug-free lifestyle. The program featured indoor and outdoor activities, including poster rallies, slogan displays, chalkboard art, and interactive group discussions. Students actively participated by carrying handmade posters and collages with strong messages like *Say No to Drugs* and *Rise Above the High*. Faculty members and student leaders also delivered talks and conducted unity activities to reinforce the message. With the participation of **37 students**, the campaign successfully spread awareness and strengthened the commitment to a safe, healthy, and drug-free campus.
