Health Center Report Academic Year 2024-25

The health center on campus aims to provide immediate healthcare access, promote preventive healthcare, support mental well-being, raise health awareness, and create a safe and wellness-focused environment for students and staff.

- Prior to the commencement of classes for the academic year 2024-2025 on 6th July, 2024, mosquito repellent was sprayed. Villa Marie Degree College for Women make certain that mosquito repellent was consistently sprayed throughout the campus the entire year.
- The Health Center has organized an extension lecture on “Awareness on Women’s Health” for the students of the first years across all programs. Dr. Vimee Bindra, an expert in endometriosis excision and robotic surgery, highlighted key issues like PCOD/PCOS, endometriosis, and anemia, emphasizing early diagnosis, treatment options, and lifestyle management.
- The Health Center, in collaboration with Yashoda Hospitals, organized a Health Camp on 14th February 2025. The event focused on addressing various health concerns by providing free medical consultations and screenings for BP, blood sugar, ECG, SPO2, eye, and dental health and providing solutions to staff and students of Villa Marie College
