ACADEMIC YEAR REPORT- 2024-25

The Minority, Backward & Specially Challenged Committee, during the academic year **2024–2025**, organized a lecture on **“Reservations in Government Jobs”** for III-year students across all programmes. The session aimed to raise awareness about reservation policies and the constitutional provisions available for minorities, backward classes, and specially-abled individuals. The resource person delivered an insightful presentation that clarified misconceptions, strengthened students’ understanding of legal rights and welfare schemes, and encouraged them to participate in policy advocacy and community awareness initiatives.
