Entrepreneurship Development Cell Report

2025 – 2026

The Entrepreneurship Development Cell of Business Management organized two entrepreneurial initiatives to encourage innovation, creativity, and entrepreneurial thinking among students. The **Extension Lecture on Entrepreneurial Ecosystem** conducted on **5th February 2026** for **BBA II & III Year students** provided valuable insights into the start-up ecosystem through an interactive session delivered by **Mr.Fakhruddin Sheik, Deputy Director, Venture Development Centre, GITAM University, Hyderabad**. Students gained knowledge about incubation centres, funding opportunities, mentorship, and institutional support available for entrepreneurs, motivating them to explore entrepreneurship as a career path. Additionally, the **Villa Entrepreneurial Showcase – “Her Start-up Story”**, held on **17th July 2025**, created a platform for students across all streams to present their entrepreneurial ventures and business ideas. The showcase featured student-led initiatives in areas such as baking, cosmetics, jewellery, logistics, food, and handmade products, promoting practical exposure, innovation, confidence, and peer learning. Together, both activities strengthened entrepreneurial awareness and inspired students to transform ideas into meaningful business opportunities.

The resource person, Mr. Fakhruddin Sheik, sharing valuable insights on the entrepreneurial ecosystem and start-up support mechanisms

From idea to reality—she stands strong, representing her stall like a true entrepreneur.
