The GrowthX Community successfully organized several student-centric activities during the academic year 2025–2026 to promote leadership, communication, entrepreneurship, teamwork, and personality development among students.

The year commenced with the Investiture Ceremony on 12th September 2025, where the newly elected student leaders were formally inducted into their positions, followed by “The Ice Breaker” Activity on 16th September 2025, which encouraged interaction and team bonding. An Elocution Activity conducted on 4th December 2025 enhanced students’ public speaking and confidence. A Guest Lecture on “The Power of Early Leadership in and Around Startups” was organized on 8th December 2025 by Ms. Aliya Noorain, Head Campus Lead, Edventure Park, providing valuable insights into leadership and entrepreneurship.

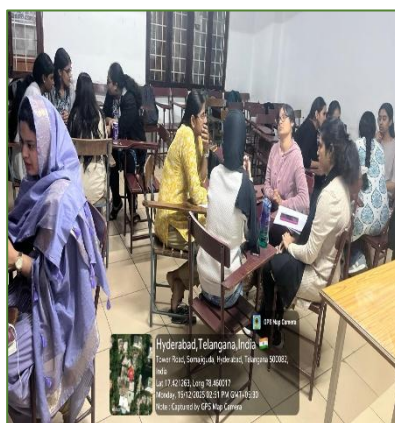

A Two-Day Masterclass and Workshop on Public Speaking held on 10th and 11th December 2025 helped students improve communication, presentation, and stage presence. The Group Discussion Activity conducted on 15th December 2025 encouraged analytical thinking, collaboration, and effective expression of ideas.

The academic year concluded with the GrowthX Carnival on 23rd and 24th March 2026, a flagship academic and entrepreneurial event. The carnival featured the launch of the GrowthX Newsletter, an expert Panel Discussion on “*Skills, Degree or Network – What Really Gets You Ahead*”, Panel Discussion and Debate Competitions, a Case Study Competition in collaboration with MOYAAAH!, networking sessions, and a Flea Market. These activities provided students with opportunities to develop critical thinking, problem-solving, communication, teamwork, and entrepreneurial skills.
